# Top Ideas

---

*Total votes per ideas (maximum 10 votes per idea per person).*

## **6 Votes**

- Currently your teams are wasting X amount of hours in Zoom meetings. If we can improve meeting efficiency, alignment and project delivery, what would that mean to you?

## **4 Votes**

- Streamline your business processes, reduce meeting time, and focus on getting work done.

## **3 Votes**

- 1) Faster decision making 2) More efficient meetings 3) Faster project delivery

## **2 Votes**

- Reduce the amount of virtual meetings
- Democratic idea generation so you get more ideas from more people.

## **1 Vote**

- Work better together so everyone feels involved and engaged in meetings and workshops.
- More engaged employees.

# Favorite Ideas

---

*Unique votes per idea (1 vote per idea per person).*

## 6 Voters

- Currently your teams are wasting X amount of hours in Zoom meetings. If we can improve meeting efficiency, alignment and project delivery, what would that mean to you?

## 4 Voters

- 1) Faster decision making 2) More efficient meetings 3) Faster project delivery

## 3 Voters

- Stormboard is an entire digital workspace that allows high-performing teams hold meetings, get your entire team working together, assign tasks, monitor projects, and run instant reports that can be used as meeting minutes, presentations, and more.

## 2 Voters

- Remote work isn't going anywhere.
- Reduce the amount of virtual meetings

## 1 Voter

- Reports can be used as your weekly update with management.
- Hit your organization's goals.
